Application.

4. (1) Application shall be deemed to have been made only when an application completed by the applicant (or, where the pension authority is satisfied that the applicant is unable to complete the application on account of physical infirmity or mental illness or for any other valid reason, an application completed by some responsible person on behalf of the applicant) is actually received in the office of the pension authority for the Province in which the applicant is resident.

(2) Without restricting the right of the pension authority to prescribe the form or contents of an application, an application shall state:—

(5) No person shall knowingly obtain or receive a pension that he is not under the Act and these regulations authorized to obtain or receive, and no person shall knowingly aid or

abet another person to obtain or receive a pension that such other person is not under the Act and these regulations authorized to obtain or receive.

(6) Every person who violates subsection (5) of this section is guilty of an offence and liable, on summary conviction, to a fine not exceeding fifty dollars or to imprisonment for a term not exceeding three months or to both such fine and imprisonment.

Investigation of Claims.

5. (1) The pension authority shall, in respect of each application, cause an investigation to be made into the facts and circumstances as therein set out and such other matters as may be necessary to determine the eligibility of the applicant for a pension and, if the applicant is so eligible and such investigation was made not sooner than four months before the date of the proposed commencement of the pension, shall determine the rate of pension payable and shall thereupon approve the application accordingly.

(2) Where an application has been so approved and a pension is being paid, the pension authority shall, each year during the lifetime of the pensioner, cause an investigation to be made into the circumstances of the pensioner and the use to which the pension is being put to determine whether such pensioner continues to be eligible for pension and the amount thereof.

(3) Before altering the rate of pension being paid to the pensioner or before suspending or reinstating a pension which has been suspended, the pension authority shall cause an investigation to be made into the circumstances of the pensioner; provided that in any individual case the pension authority may, in lieu of such investigation, make such inquiry and obtain such information as it deems adequate.

(4) The reports of any investigation shall be filed with the application and shall be available at any time for inspection by officials of the Government of Canada.

(5) An investigation required by this section shall be made by an investigator in the employ of the pension authority or the Provincial Government or by any other agency recommended by the pension authority and approved by the Minister, and such investigator or a representative of such agency shall, in the course of such investigation, personally interview the applicant or pensioner as the case may be.

(6) All applications and accompanying documents received by any person other than the pension authority shall be forwarded to the pension authority, and no person other than the pension authority shall approve or reject any application or alter the rate of pension.

Age.

6. (1) For the purpose of enabling the pension authority to consider the eligibility of an applicant as regards age, the applicant shall forward to the pension authority a certificate of birth or of baptism, or, if neither certificate is obtainable, shall forward any other documentary evidence that he may have or be able to obtain from which his age may be determined.

(2) If the pension authority is satisfied that the applicant is unable to furnish satisfactory evidence as to his age as provided in subsection (1) of this section, the pension authority shall endeavour to obtain information from other sources, and in the case of an applicant who alleges he was born in Canada, the pension authority shall, if records for the period in question are available in the Province where he alleges he was born, first request the Registrar of Vital Statistics in that Province to make a search for information as to his age.

(3) If the pension authority is unable to obtain information as provided in subsections (1) and (2) of this section, it shall request the

Dominion Bureau of Statistics to make a search of the census records for information as to the age of the applicant, subject to the following:—

- (a) A request for census information by a pension authority shall be made with the consent in writing of the person regarding whom the information is required;
 - (b) The specific locality (city, town, village, township, or rural municipality) in which the applicant resided at the date of the census aforesaid shall be stated in the request; and
 - (c) Any information supplied by the Dominion Bureau of Statistics shall be confidential and shall not be used for any other purpose than that of the administration of the Act.
- (4) If, after thorough search and inquiry, the pension authority is unable to obtain from the applicant, or elsewhere, sufficient evidence as to his age in accordance with subsections (1), (2), and (3) of this section, it may take into account such evidence as it may be able to obtain for the purpose of establishing the age of the applicant.

(5) Notwithstanding anything in this section, the pension authority shall not be bound to accept any document or evidence as final and conclusive of the facts therein given or contained, and any document or evidence submitted to or obtained by the pension authority as proof of age shall be rebuttable at any time.

Marital Status.

7. For the purpose of enabling the pension authority to consider the eligibility of an applicant as regards marital status, the pension authority may accept a certificate of marriage or, if no such certificate is procurable, such other evidence as it deems satisfactory.

Residence.

8. For the purpose of enabling the pension authority to consider the eligibility of an applicant as regards residence in Canada or in a Province, the pension authority may take into account, together with any other evidence that it may be able to obtain, a statutory declaration made by any reliable and disinterested person, other than the applicant, covering such facts as to which such person has personal knowledge.

9. (1) Intervals of absence of an applicant from Canada during the twenty years immediately preceding the date of the proposed commencement of pension which are of a temporary nature and which, when totalled and averaged, do not exceed sixty days per year shall be deemed not to have interrupted the residence in Canada of such applicant during such period. The provisions of this subsection shall not apply in respect of cases coming within the provisions of subsections (2), (3), and (4) of this section.

(2) If an applicant, while a resident of Canada, has temporarily absented himself therefrom for the purpose of engaging in:—

- (a) Employment on a ship or on a fishing-boat;
- (b) Employment on trains running out of Canada operated by any railway company having its head office in Canada;

- (e) Employment by the United Nations Relief and Rehabilitation Administration or by United Nations or one of its specialized agencies; or
- (f) Missionary work with any religious group or organization;

and at the termination of such employment he returned to Canada, he shall be deemed to have continued to reside in Canada during such absence if, during the period thereof, he had in Canada a permanent place of abode to which, whenever he was absent therefrom, he had the intention of returning, or he maintained in Canada a self-contained domestic establishment.

(3) If an applicant, while a resident of Canada, has temporarily absented himself therefrom:—

- (a) While he was employed and paid by the Government of Canada, or by the Government of any Province; or
- (b) During the First or Second World War while he was a member of the forces of any country allied with Canada or was engaged in work in connection with the prosecution of any such war for Canada or its allies;

and at the termination of his duties abroad he returned to Canada, he shall be presumed to have continued to reside in Canada during such absence.

(4) An applicant who is a married woman or a widow, and who was absent from Canada with her husband while he was absent from Canada in any of the circumstances provided for by subsection (2) or (3) of this section, shall, during the period of such absence with him, be deemed to have continued to reside in Canada during such absence.

10. In determining income for the purpose of the Act, the pension authority shall in each case take into account the amount or value of all income and contributions received, whether in cash or in kind, other than:—

- (a) Mothers' allowances paid pursuant to Provincial legislation;
- (b) Family allowances paid pursuant to the "Family Allowances Act, 1944";
- (c) Cost-of-living allowances or supplemental allowances paid by any Province to persons in receipt of pensions under the Act;
- (d) Pay allotted or assigned by a member of the naval, military, or air forces of Canada, serving on active service, where no dependents' allowance has been awarded in respect of the pensioner or the spouse of such pensioner;
- (e) Direct relief in an amount considered reasonable by the pension authority if paid out of moneys provided only by the municipality or the Province in which the pensioner resides, or by both;
- (f) Casual gifts of small value;
- (g) Contributions other than for ordinary maintenance to pensioners who require special care; and
- (h) Any amount considered reasonable by the pension authority received by a pensioner in receipt of a pension in respect of blindness under the Act for the purpose of obtaining the services of a guide.

11. For the purpose of reckoning the value of the income received by a pensioner (or in the case of a married pensioner living with his spouse, by the pensioner and his spouse) from any interest in real or personal property, other than that specified in section 10 of these regulations, whether the pensioner or his spouse acquired the interest prior to making the application or subsequent thereto:—

- (a) The pension authority shall, in the case of real property:—
 - (i) That is used exclusively as a residence or shelter by the pensioner, consider as income an amount that, in the opinion of the pension authority, is fairly equivalent to the amount that the pensioner might reasonably be expected to pay for rent, but in fixing such amount, the pension authority may, in its discretion, deduct all or any part of

the cost of maintaining such property, other than any payment of principal on any mortgage or agreement for sale thereon:

- (ii) That is not used exclusively as a residence or shelter by the pensioner, consider as income the net revenue that, in the opinion of the pension authority, such property should or might reasonably be expected to yield, and if such property is revenue-bearing, the pension authority may accept as the value of the income thereon the net revenue therefrom, after deducting reasonable and necessary expenses of maintaining such property, other than any payment of principal on any mortgage or agreement for sale thereon, if satisfied that such net revenue is fair and reasonable:
- (b) The pension authority shall, in the case of personal property:—

(i) Where the pensioner is not living with a spouse, consider as income the amount of an Immediate Canadian Government Annuity, Ordinary Life Plan, payable monthly, purchasable with the proceeds of such personal property and calculated as of the actual age of such pensioner or seventy years, whichever is the lower;

(ii) Where the pensioner is living with a spouse, consider as income in respect of each spouse the amount of annuity purchasable with the proceeds of the personal property of each spouse respectively and calculated as of the actual age of each or the age of seventy years, whichever is the lower;

(iii) The expression "personal property," as used in this section, shall, in the case of a pensioner not living with a spouse, mean personal property which exceeds two hundred and fifty dollars in value, and, in the case of a pensioner who is living with a spouse, means one-half the total value of the personal property jointly and severally owned by them which exceeds two hundred and fifty dollars in value.

12. (1) Subject as in this section provided, where the pensioner could purchase an annuity with the proceeds of personal property but fails to do so, the amount of annuity calculated as provided in paragraph (b) of section 11 of these regulations shall be considered as annual income during the life of the pensioner.

(2) Where the pension authority has obtained satisfactory evidence that the value of the personal property of the pensioner (or, in the case of a married pensioner living with his spouse, of the pensioner and his spouse) has been reduced by payment of medical, nursing, or hospital accounts for the pensioner or his spouse or funeral expenses of the spouse, the pension authority may, in its discretion, reduce the value of such personal property at that time by the amount of such accounts and recalculate the annual income as provided by paragraph (b) of section 11 of these regulations.

(3) Where the pensioner, while not in receipt of pension, utilizes personal property for living expenses for himself and his spouse, if any, the pension authority may, in its discretion, reduce the value of such personal property annually by an amount not in excess of the maximum income that such pensioner would otherwise be entitled to receive under the Act and, at the time pension is reinstated, recalculate the annual income as provided by paragraph (b) of section 11 of these regulations.

(4) Where the pensioner or his spouse reconverts into real property for use exclusively as a residence or shelter by the pensioner personal property derived from the sale of real property held at the time pension was granted, the pension authority may, in lieu of calculat-

ing as income of such pensioner the annuity value of the personal property so reconverted as provided in these regulations, consider as income an amount that, in the opinion of the pension authority, is fairly equivalent to the amount that the pensioner might reasonably be expected to pay for rent therefor less any deductions therefrom that the pension authority considers should be made for all or any part of the cost of maintaining such property other than any payment of principal on any mortgage or agreement for sale thereon.

Transfer of Property.

13. (1) When the applicant or his spouse has made any assignment or transfer of property exceeding in value five hundred dollars within the five years preceding the date of application, the pension authority shall require the applicant to furnish all available information with respect to such assignment or transfer of property, and from the evidence furnished shall determine whether or not such assignment or transfer was an assignment or transfer for the purpose of qualifying the applicant for pension or for a larger pension than he would otherwise be entitled to receive.

(2) Any assignment or transfer within the provisions of subsection (1) of this section shall, in the absence of evidence to rebut the presumption, be presumed to have been made for the purpose of qualifying the applicant for a pension or for a larger pension than he would otherwise be entitled to receive.

(3) When the pension authority is satisfied that an assignment or transfer was made for the purpose of qualifying the applicant for a pension or for a larger pension than he would otherwise be entitled to receive, the rate at which the value of the interest that the pensioner or his spouse had in such property is to be exhausted, as provided in section 9 (1) (a) of the Act, shall be the amount of the maximum income allowable to such applicant under the Act.

When Pension shall commence.

14. (1) Every pension shall commence on the first day of the month following the month in which the application is approved; provided that where such approval is given after the last day of the month in which the application was received by the pension authority and delay in approval has resulted from circumstances beyond the control of the applicant, the pension authority may, in its discretion, declare that such approval shall be effective as of an earlier date, which shall in no case be prior to the first day of the month following the month in which the application was received by the pension authority, or the first day of the month following the month in which the applicant, in the case of an application for old-age pension, attains the age of seventy years (or, in the case of an application for pension in respect of blindness, attains the age of twenty-one years), whichever is the later.

(2) Where a pension is suspended at the request of the pensioner, the pension shall not be reinstated prior to the date on which the pensioner requests reinstatement.

(3) Except in the case of a pensioner in receipt of pension in the Northwest Territories, no pensioner shall be paid for any period of more than one month during which the pensioner is receiving direct relief out of moneys provided in whole or in part by Canada.

Manner payable.

15. Pensions shall be payable monthly in arrears and shall be paid by cheque in the form approved by the pension authority.

Incapacity of Pensioner.

16. (1) In the event of the incapacity of any pensioner through infirmity, illness, or any other cause, or if the pension authority con-

siders that the pensioner is using or is likely to use his pension otherwise than for his own benefit, the pension authority may pay the whole or any part of the pension of such pensioner to a trustee or trustees appointed by such pension authority to be expended for the benefit of the pensioner.

(2) Any such trustee or trustees appointed by such pension authority may resign or be removed by the pension authority, and the pension authority may appoint another trustee or trustees in the place of the trustee or trustees resigned or removed.

(3) Any trustee so appointed shall, when required by the pension authority, make returns showing the amount of the pension received, the amount that has been expended for the benefit of the pensioner, and the balance remaining in the hands of the trustee.

(4) Where a pensioner is being maintained in any institution appointed as trustee for the pensioner, the pension authority shall pay to such institution the whole or such proportion of the pension as is considered by the pension authority to be a reasonable sum for the maintenance of the pensioner, and may require the institution to make available to the pensioner therefrom a sum which it considers a reasonable amount for his personal use.

Suspension of Pension.

17. (1) The payment of a pension shall be suspended:—

- (a) During the absence of a pensioner from Canada; provided that the pension authority may continue the payment of pension for any period of absence not exceeding ninety days in any calendar year where, in the opinion of the pension authority, the circumstances warrant such payment:
- (b) During any imprisonment exceeding thirty days of a pensioner convicted of an offence:
- (c) During the confinement of a pensioner as a public charge in any public mental institution:
- (d) During the period that a pensioner fails to comply with the provisions of the Act and these regulations, or fails to furnish to the pension authority any information that he is required to furnish.

(2) A pension authority shall recover from a pensioner any sum improperly paid by way of pension, whether such sum was paid as the result of non-disclosure of facts, misrepresentations, or any other cause, and if the pension authority is unable to recover the whole of such sum, the pension authority shall suspend the payment of the pension of such pensioner until the aggregate amount of the suspended payments equals the sum improperly paid less any amount that has been recovered prior to such suspension; where the pensioner has not been guilty of fraud or misrepresentation, the pension authority, in its discretion, may reduce the pension by an amount of not less than five dollars each month, so that, in a period not exceeding thirty-six months, the pension authority will recover the amount of such overpayment, but in the event of the death of the pensioner prior to such recovery, the pension authority shall file a claim against the estate of the pensioner, if any, for any balance at that time remaining unpaid.

(3) If, after the granting of a pension, a pensioner or his spouse makes any assignment or transfer of real or personal property without the approval of the pension authority, the payment of his pension may be suspended until the value of the equity of the pensioner in the real or personal property assigned or transferred has been exhausted at the rate of the maximum income allowable to such pensioner under the Act.

Increase or Reduction of Pension.

18. Every pensioner shall forthwith report to the pension authority any change in his financial condition or in the financial condition of his spouse.

19. Any pensioner who desires to apply for an increase of pension to which he may be entitled under the Act shall notify the pension authority and shall furnish all necessary information.

Management of Pensioner's Property.

20. Any pension authority may, if so authorized by law of the Province and with the consent of the pensioner, assume the management of any property belonging to the pensioner.

21. The amount recovered by a pension authority from a pensioner or from the estate of a deceased pensioner in respect of any pension shall be distributed among the Province granting the pension, Canada, and any other Province which has reimbursed the Province granting the pension, in accordance with the amount of any such pension borne by each of them.

Accounting.

22. Any sums due by Canada to any Province in settlement of Canada's share of the net amount expended by any Province in the payment of pensions shall be ascertained as of the last day of March, June, September, and December, shall be audited by the Provincial auditor, and shall be paid on the certificate of the Provincial auditor as soon thereafter as possible, subject to final audit by officials of the Government of Canada.

23. In calculating the amount due by Canada to any Province, no account shall be taken of any sums that, under the provisions of the Act, such Province is liable to reimburse another Province or to be reimbursed by another Province in respect of a pension granted therein or in such other Province, nor shall any account be taken of the cost of administering or paying pensions.

24. In calculating the amount in respect of which any Province is entitled to be reimbursed by another Province under the provisions of the Act, regard shall be had only to the net amount of the pension paid by the Province to be reimbursed after deducting therefrom the amount payable by Canada on account of such pension.

25. Balances due by one Province to another Province under the provisions of the Act shall be settled quarterly as of the same date as the sums due by Canada are payable from time to time.

26. The Minister charged with the administration of the Act may, at any time, require the Province to furnish information, detailed or otherwise, in connection with statements of account rendered by the Province, and shall have authority to order an examination, inspection, and audit of all expenditures under the Act in any Province, and the accounts with respect thereto, and the Province shall permit the inspection in such examination of all papers and documents relating to pensions payments.

Interprovincial Board.

27. The Governor in Council may appoint an interprovincial board to interpret and recommend alterations in the regulations.

PART II.

PENSIONS FOR BLIND PERSONS.

28. An applicant or other person shall be deemed to be blind only when the visual acuity of such applicant or other person, after correction through the use of proper refractive lens, is not more than 6/60 Snellen or the field of vision in each eye is reduced to less than ten degrees.

29. The pension authority forthwith after the investigation required by subsection (1) of section 5 of these regulations is made and before approving the application, if it is satisfied that the applicant fulfils the conditions set out in subparagraphs (ii), (iii), and (iv) of paragraph (a), paragraphs (b) and (c) of section 8A and subsection (1) of section 9 of the Act, shall forward to the Minister the full name and address of the applicant and shall certify that the applicant has fulfilled such conditions.

30. (1) Upon receipt of the information as provided in section 29 of these regulations, the Minister, except as provided in section 31 of these regulations, shall instruct the pension authority to have the applicant medically examined.

(2) The pension authority shall thereupon arrange with an oculist, who has been approved by the Minister, for the examination of the applicant and shall notify the applicant accordingly. The expenses of such examination, other than the cost of transportation and living expenses of the applicant incidental to such examination, may be paid out of moneys appropriated therefor by Parliament.

(3) The oculist shall conduct an examination in accordance with these regulations and any instructions given by the Minister, to whom he shall forward a report thereof on forms provided for that purpose.

(4) The Minister shall, upon receipt of such report, issue a certificate and shall forward the same to the pension authority; the certificate shall state *inter alia*:—

- (a) Whether or not the applicant is blind within the meaning of the "Old Age Pensions Act" and regulations;
- (b) Whether or not the applicant is likely to continue to be blind within the meaning of the "Old Age Pensions Act" and regulations; and
- (c) The times at or before which additional medical examinations, if any, should be made to ascertain that the applicant continues to be blind within the meaning of the "Old Age Pensions Act" and regulations.

(5) The pension authority, upon receipt of a certificate which certifies that the applicant is blind within the meaning of the Act and regulations, may thereupon determine the rate of pension payable and approve the application in accordance with subsection (1) of section 5 of these regulations; provided that if the pension authority is not satisfied that the applicant is blind within the meaning of the Act and regulations, it may, notwithstanding the certificate, refuse to approve such application but shall, in such event, advise the Minister, giving the reasons therefor.

31. Where the Minister has received satisfactory information that the applicant is blind within the meaning of the Act and regulations, he may dispense with the examination required

by section 30 of these regulations and forthwith issue the certificate as provided by subsection (4) thereof.

32. No pension shall be granted or paid until the Minister has certified that the applicant is blind within the meaning of the Act and regulations.

33. No pension which has been suspended for a period in excess of six months shall be reinstated without first obtaining a certificate under section 30 or 31 of these regulations.

34. The Minister may, at any time, require an applicant or pensioner to report for medical examination and to furnish such information as he or the pension authority may from time to time require.

35. No pensioner shall solicit alms, and an applicant or pensioner who is found to have solicited alms may, in addition to any other action authorized by these regulations, be required to furnish an undertaking to desist from soliciting alms in the future.

36. For the purpose of determining the age of a child of a pensioner, regard may be had to the documents or other evidence mentioned or referred to in section 6 of these regulations.

37. For the purpose of determining whether a child of a pensioner is prevented from earning a livelihood by reason of physical or mental incapacity, the pension authority shall be guided by a certificate of a duly qualified medical practitioner.

38. (1) Any person receiving an old-age pension under the Act may apply for a pension in respect of blindness in lieu of such old-age pension. A pension in respect of blindness may be granted to such person upon compliance with the provisions of the Act and regulations, and thereupon the pension authority shall transfer the pension from the old-age pension pay-list to the blind persons' pension pay-list and advise the Minister thereof in its monthly report.

(2) Any person receiving a pension in respect of blindness may, if otherwise eligible, request an old-age pension in lieu thereof, and the pension authority may thereupon transfer the pension from the blind persons' pension pay-list to the old-age pension pay-list and advise the Minister thereof in its monthly report.

39. Records and accounts in connection with pensions for blind persons under the Act shall be segregated by the pension authority; advice of payments to such persons, as well as all changes in the rate of pension, shall be made monthly to the Minister on a separate statement certified by the chief officer of the pension authority and the Provincial auditor.
